TORNADO®

CK LW 13/1 Roam

Battery Operated Vacuum

A highly portable unit that is revolutionizing the entire cleaning industry.

- Commercial grade performance with cordless convenience
- Ultra light at 11 pounds for easy transport and portability
- Can clean up to 3,812.4 sqft of space per hour on a single charge
- LEED and CIMS-GB qualifying unit

CK LW 13/1 Roam

Battery Operated Upright Vacuum

The Tornado Roam Upright is the first of its kind in commercial cleaning! With the CK LW 13/1 Roam, you will never run out of power cord because the vacuum is battery operated! This alleviates the need to switch outlets and dramatically increases your safety while cleaning. Additionally, this unit is so light-weight that you can even further increase your productivity. No more outlets, no more cords, and no more bulky vacuums! Tornado has paved the way for the industry's first and best battery powered vacuum. The results speak for themselves with the CK LW 13/1 Roam from Tornado.

Ultra-bright LED headlight provides users with the ability to see under tight, dark spaces

Swap your drained battery with a fully charged one so you can clean your space with minimal downtime.

Long lasting and high quality battery performance
