i36BT

Traction Drive Auto Scrubber

Large area floor cleaning is easier, quicker, and more effective than before with the i36BT automatic scrubber. While boasting a 30-gallon balanced tank design and a 46.5" parabolic squeegee, the unit has exceptional sight lines and effortless maneuverability. Three pad pressure settings range from 90 to 200 pounds for a variety of commercial and industrial applications. Intuitive, ergonomic controls and quick change-out squeegees, pads, and brushes increase operator efficiency. The powerful 6 Volt 260 AH batteries, on board charger, and pad drivers are all included.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE USA, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers come with a 5 year warranty. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.
