

Curve

Attack odors at the source

Place the solution right at the source of the odor with this small space air freshener. The holder conveniently attaches with double-sided tape and the refill is replaced each month.

Versatile

The holder attaches discretely to most smooth surfaces. It's great for trash cans, cabinets, toilet tanks, and more.

Freshens for 30 days

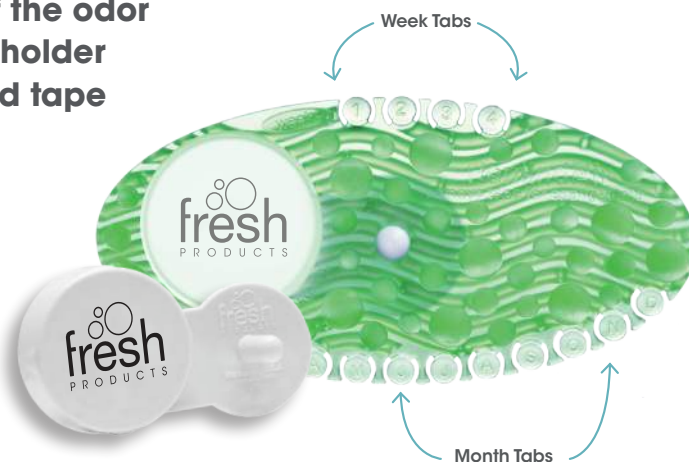

Contains up to 50x more fragrance than standard toilet rim sticks.

Replacement reminder system

Simply pull off a week and month tab to show when to replace.

Eco-friendly

With no sticky residue, the curve is 100% recyclable and doesn't contain acetone or propellants.
