

P-Shield

Keep restroom floors clean

Prevent damage and costly floor repairs caused by discoloration and uric acid from urine splash.

Protects floors

Prevents damage and costly floor repairs caused by discoloration and uric acid from urine splash.

Long-lasting

Depending on the amount of foot traffic, P-Shield lasts 8-10 weeks, 2x longer than competitive mats.

Locks odors in

The absorbent core locks odors away for a more pleasant experience.

Cleaner facilities

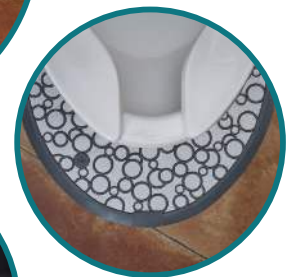

The absorbent core locks moisture away preventing urine from tracking outside the restroom on user's shoes.

Slip-resistant

Each mat has a slip-resistant backing and comes with optional two-sided Velcro for additional protection.

Ideal for many settings

An essential part of an odor control program for Hospitality, Property Management/BSC's, Healthcare/Long Term Care, Food Service and Industrial/Manufacturing markets.

Description	Item Code
● Urinal Mat black/black	PSHIELD-BLACK
○ Urinal Mat black/white	PSHIELD-BLK/WHT
○ Urinal Mat gray/white	PSHIELD-GRY
○ Commode Mat black/white	PSHIELD-C-BLK/WHT
● Commode Mat black/black	PPSHIELD-C-BLK
○ Commode Mat gray/white	PSHIELD-C-GRY

Packaging
6 mats/master case

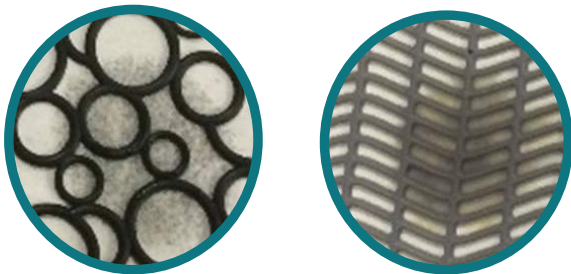

In a controlled test of P-Shield versus a top competitor, based on the spot/color you can see P-Shield pulls urine away from the surface and locks it away. P-Shield uses the same absorbent material that is trusted for use in diapers. Competitors use:

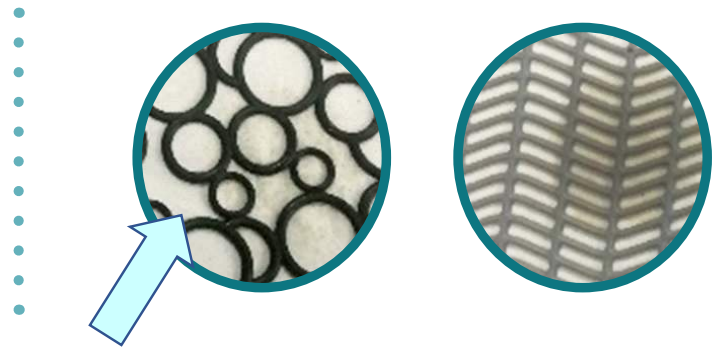

- **Cellulose** - looks and smells bad
- **Carpet/fabric-** leaks, tracks, and does not lock liquids away

Absorption Comparison Test

Immediate

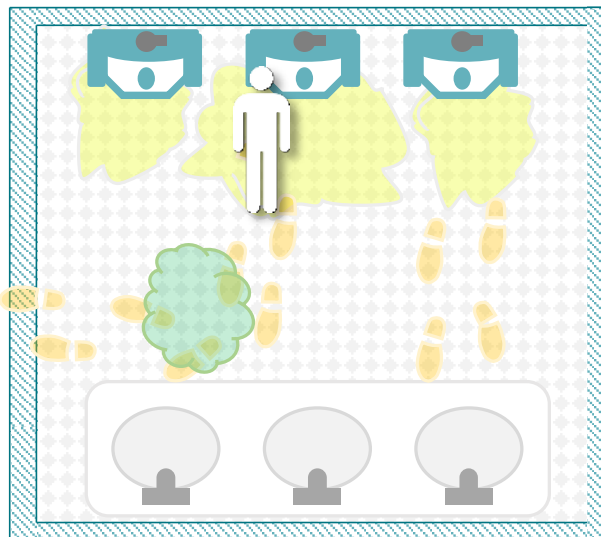

Time Lapse

Urine is less visible on the P-Shield because it's being pulled from the surface and locked away.

Effective Urinal & Commode Mats

- Prevents the tracking of urine outside the restroom
- Stops uric acid from damaging floors
- Eliminates stubborn odors caused by urine build-up
- Captures and neutralizes urine odors
